

MANUFACTURER'S CERTIFICATION STATEMENT For Gorell Products placed in use from June 1, 2009 to December 31, 2009

Section 25C of the Internal Revenue Code (the "IRC") permits taxpayers to claim a limited tax credit with respect to amounts paid or incurred to purchase "Eligible Building Envelope Components" as that term is defined in IRC § 25C. The tax credit was amended by Section 1121 of H.R.1, "The American Recovery and Reinvestment Act of 2009".

IRS Notice 2009-53 sets forth the requirements for a Manufacturer's Certification Statement. The taxpayer may rely on this Statement that certain Timeless windows and doors are Eligible Building Envelope Components. The taxpayer is not required to attach this Statement to their tax return. However, the taxpayer should retain this Statement for their records.

The manufacturer of Timeless windows and doors is Gorell Window & Doors, LLC, 1380 Wayne Avenue, Indiana, PA 15701.

IRS Notice 2009-53 provides guidelines for determining what energy efficient improvements qualify for the tax credit. Pursuant to these guidelines, Gorell has identified the following Timeless windows and doors as Eligible Building Envelope Components that qualify for the tax credit allowed under § 25C when installed as an exterior window or door of the taxpayer's primary residence:
